Dear Students,

Texas A&M University-Corpus Christi is committed to protecting the accounts and personal information of our faculty, staff, and students. All current Student IslandID accounts will be enabled with Duo Security two-factor authentication starting Wednesday, Oct. 24, through Wednesday, Nov. 14. This change will directly impact students' ability to receive email and log into Texas A&M-Corpus Christi systems. Students will be prompted to register with Duo when attempting to access A&M-Corpus Christi systems such as email, Blackboard, and SAIL. The activation dates below are determined by the first letter of the student's last name:

- A - F: 9 a.m. on Oct. 24

- G - M: 9 a.m. on Nov. 7

- N - Z: 9 a.m. on Nov. 14

Step-by-step registration instructions are available at https://guide.duo.com/enrollment. For more information, visit twostep.tamucc.edu, or contact the IT Service Desk at 361.825.2692 or ITHelp@tamucc.edu. Students may also visit the Mary and Jeff Bell Library Service Desk or stop by Corpus Christi Hall, room 205 for assistance.
